BROOKINGS AREA UNITED WAY RECEIVES 3M PRODUCT GRANT

Brookings Area United Way was able to receive the 3M Product Grant and provides us the opportunity of sharing the supplies with other nonprofits, as well as focus on serving our community.

This grant allows Brookings Area United Way to provide necessary supplies to other nonprofits on behalf of 3M. Some of the supplies include post it notes, duct tape, packing tape, extreme post it notes, ace bandages, and much more. This gives us the opportunity to focus on funding on serving the community instead of having to purchase as many office supplies.

Throughout these past couple weeks of receiving the grant, we have given away products to 32 different nonprofits within the Brookings community. Brookings Area United Way works to share resources and the 3M Product Grant is one way we are able to do so.

Without the 3M Product Grant we would not be able to supply these organizations with the necessary supplies. 3M is a strong supporter of Brookings Area United Way and helps enable us to continue uniting people, sharing resources, inspiring hope, and enriching lives for a stronger tomorrow.
