DELTA DENTAL MOBILE PROGRAM RECENTLY VISITED BROOKINGS

Brookings, SD – The Delta Dental Mobile Program was in Brookings recently and provided preventative and restorative dental care to children ages 0-17 years who did not have access to dental care. 33 children were seen and \$28,772 in care was performed. The van will be back in Brookings for its final visit during the week of October 18th.

“We are so thankful for the partnership that we have with Delta Dental. A \$2,500 investment per week from Brookings Area United Way is leveraged to provide the much-needed care in our community. We had kids under the age of 2 up to 17 years old visit the dental van and for 15 of the children, it was their first time seeing the dentist,” says Heidi Gullickson, Executive Director of Brookings Area United Way.

The Brookings Area United Way partners with the Delta Dental Mobile Program thru funding, marketing efforts and coordinating the dental appointments. To sign up for a visit, call the Helpline Center by dialing 211.
