BROOKINGS AREA UNITED WAY RECEIVES 3M PRODUCTS

Brookings Area United Way was able to receive 3M products which were shared with 30 different nonprofits within Brookings County.

These products allow Brookings Area United Way to provide necessary supplies to other nonprofits on behalf of 3M. Some of the supplies include post it notes, duct tape, packing tape, sponges, bandages, and much more. The 3M products provide an opportunity for Brookings Area United Way and their funded partners to focus on serving the community.

Without the 3M products Brookings Area United Way would not be able to supply these organizations with the necessary supplies. 3M is a strong supporter of Brookings Area United Way and helps enable Brookings Area United Way to continue uniting people, sharing resources, inspiring hope, and enriching lives for a more resilient Brookings County.
