Elkton, SD – Delta Dental’s mobile dental truck is coming to Elkton, SD during the week of July 25th. The truck will be at the Elkton Public School at 508 Buffalo St., Elkton, SD 57026.

This program is available for children that do not have access to a dentist because of cost, lack of insurance, transportation, or other reasons. Children from their 1st tooth through age 21 are eligible.

A full range of dental care is available, including exams, cleanings, preventive treatments, and cavity fillings. Services are provided at no cost to the child or family. No insurance is necessary. Oral health education is also provided to patients, so they can continue to care for their teeth after the visit.

Registration in advance is needed, and a patient consent and information form must be completed. To make an appointment, please call 211. Contact Brookings Area United Way at 605-692-4979 or email uw@brookingsunitedway.org if you have any questions.
