In early 2023, Brookings Area United Way, Brookings County Food Pantry and Brookings Backpack Project moved into a new collaborative space at 908 Hope Drive. The building was made possible through a land lease from First Lutheran Church, a Community Development Block Grant through the Governor's Office of Economic Development, and support from the City of Brookings, Brookings County, and Valero. To ensure maximum program funding, no community donations were used. If you are interested helping for the future sustainability of the building, please call the United Way office at 605-692-4979.

We invite you to visit and see HOPE in action!
