BEST PRACTICES FOR RUNNING A SUCCESSFUL CAMPAIGN

BEFORE YOUR CAMPAIGN

- ☐ Meet with a United Way staff member to create a plan of action. Call 605.692.4979 to set up your appointment.
- ☐ Meet with your CEO or management team to establish goals and dates and to determine how you will involve them in the campaign. If your organization has a union partner, include a representative in the planning process.
- ☐ Recruit a strong campaign team, "ambassadors" representing a wide range of employees, for help and support.
- ☐ Ask a member of senior management to chair your leadership giving efforts.
- ☐ Review last year's campaign results, strategies, and recommendations.
- ☐ Develop strategies, a timeline, and goals for this year's campaign.
- ☐ Visit BrookingsUnitedWay.org to arrange a speaker, customize materials, and more! Please arrange all materials and speakers at least 2 weeks prior to your kickoff date.
- ☐ Consider offering incentives for various levels of giving.
- ☐ Develop a communications plan leading up to the campaign to educate, build enthusiasm, and inform your coworkers of key dates/goals.
- ☐ Send out endorsement letters, videos or emails from your CEO and key leadership. Always include BAUW logos and links to our website.

DURING YOUR CAMPAIGN

- ☐ Hold employee group meetings. (See "The 20-Minute Group Meeting.")
- ☐ Run a special solicitation for current or prospective leadership donors (those who do or might consider giving \$1,000 or more per year).
- ☐ Share campaign information and progress in newsletters, intranet and email.
- ☐ Use posters, table tents and other items to advertise the campaign.
- ☐ Follow up with anyone who has not turned in a pledge form. Ask everyone to return a pledge form whether they are contributing or not.

AFTER YOUR CAMPAIGN

- ☐ Complete the contribution report envelope and return to United Way.
- ☐ Send out thank you notes and/or hold a thank you event to announce and celebrate results. Don't forget to thank anyone who helped coordinate the campaign.

ALL YEAR

- ☐ Visit helplinecenter.org/volunteer-connections for volunteer opportunities.
- ☐ Keep your employees educated about UW's work. Call us to arrange a lunch and learn, speaker, or bus tour. Follow us @sdbauw..

#UnitedWeWin

You're invited to join us on our bold journey; one that connects donors and resources to local nonprofits offering crucial programs. Focused on the fundamentals for a good life -- health, education, and financial stability -- we invest donors' dollars in quality programs that provide our community with access to the tools required to thrive. From promoting access to education and health care to ending food insecurity, we're strategic with our donors' dollars.

THREE QUICK REASONS

OUR COMMUNITY IMPACT TEAM of United Way staff and Board of Directors has the expertise to identify and address our community's most critical needs. By funding 34 nonprofit partners and 49 programs and collaborating with community partners, we truly advance the common good and make a visible difference in the lives of our residents.

OUR COMMUNITY PARTNERS PROVIDE PROGRAMS THAT...

- Help those in crisis meet their most basic needs - food, shelter, clothing, safety.
- Prepare individuals and families to be self-sufficient and financially stable.
- Connect residents with available, affordable health and mental health services.

WE MAKE DONORS' DOLLARS MORE IMPACTFUL by assessing our greatest community needs, creating collaborations, and promoting crucial conversations to create innovative solutions.
