

# Communities That Care (CTC)

Building positive futures for Brookings youth.

## Community Board Orientation

January 30th | 8:00am - 4:30pm

Location: TBD

**communities  
that care PLUS**

**Preventing youth health and behavioral problems in a science based, data-driven way.**

- Understand the CTC framework and its purpose.
- Dive into the prevention science that leads to healthier youth development and behavioral outcomes.
- Create a vision for youth prevention for the Brookings community.
- Organize and create action work groups and guide next steps for prevention efforts in Brookings.
